Please share cars where possible to make parking easier.

A bus (charge) will transport walkers to the start point from where they will follow the linear route described in the three Gower Way leaflets back to the car parking.

The intermediate points shown above are to enable those who cannot manage the full distance of each days walk to devise short or circular walks of their own, part of which could be with the main group - most of the points shown offer parking places.

Because of limited space on the buses it is essential to book a place by 18th August for each day to be walked. Bus charge (in advance, please) 3 days for £9.00 or £4.50 per day

Please complete the slip below and return to D N Allen, 63 Pastoral Way, Sketty, Swansea SA2 9LY (phone 01792 299317) together with your cheque made payable to The Gower Society
